TODAY'S DEMO: MY CIRCLES PASSPORT – TRUST GRAPH + CRC BALANCE AS A SHAREABLE CARD

WHAT YOU'RE BUILDING ON

money that grows out of trust between people.

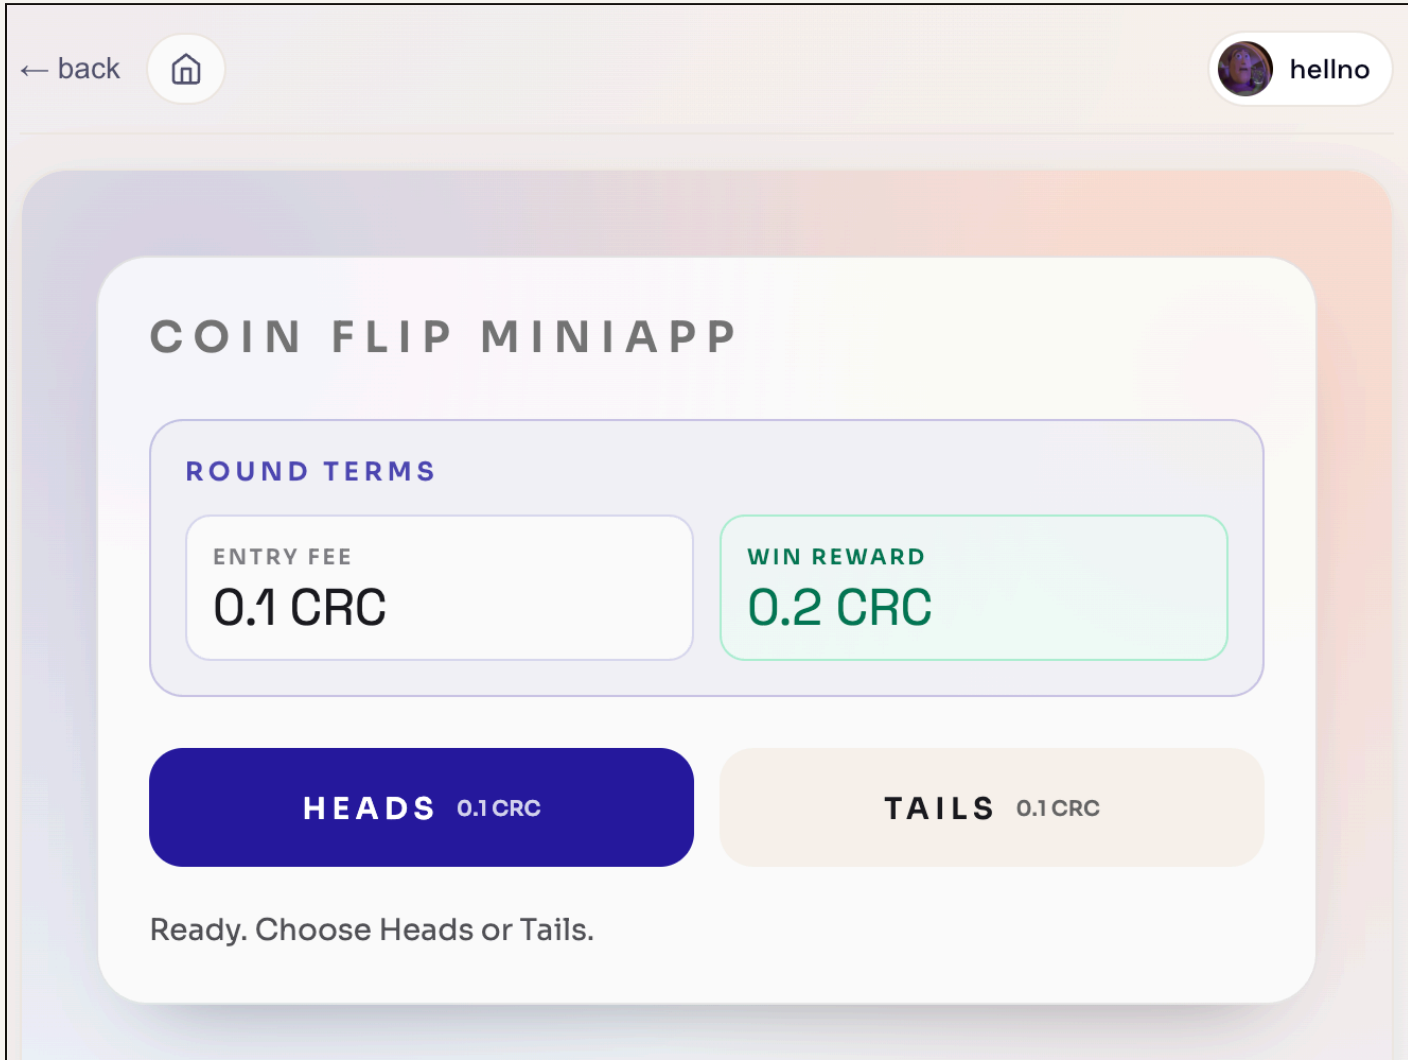

personal currency • per-human • gnosis chain.

01 personal CRC
every human mints 1 CRC / hour.

02 trust edges
trust a friend → accept their CRC 1:1.

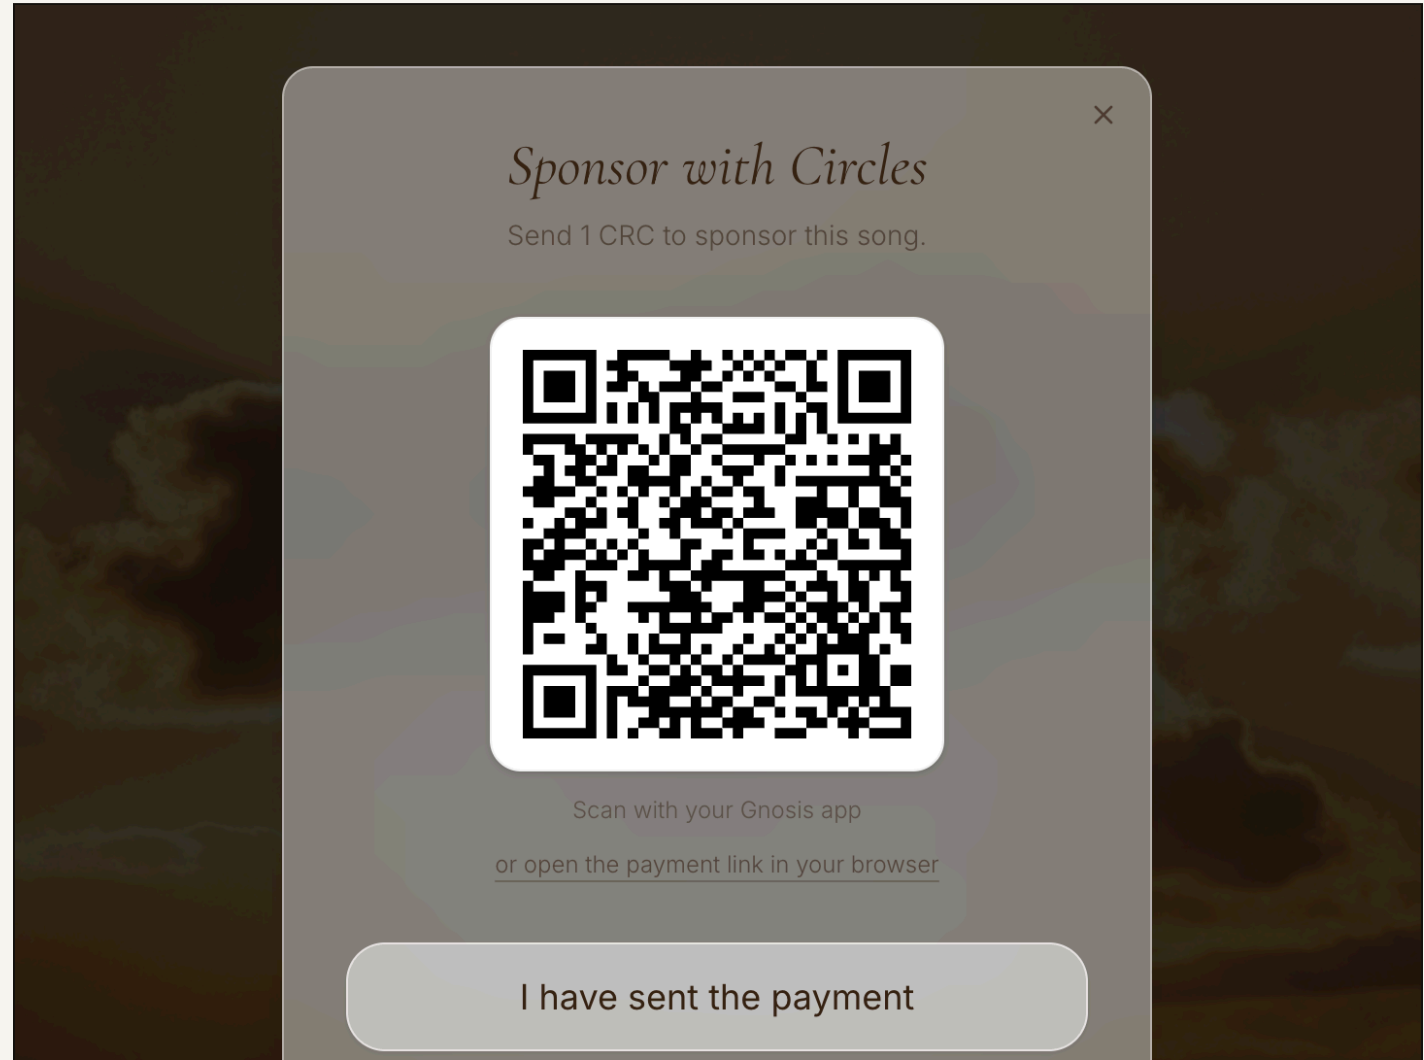

03 path payments
pay anyone through friends-of-friends.

EMBEDDED recommended · runs inside the host

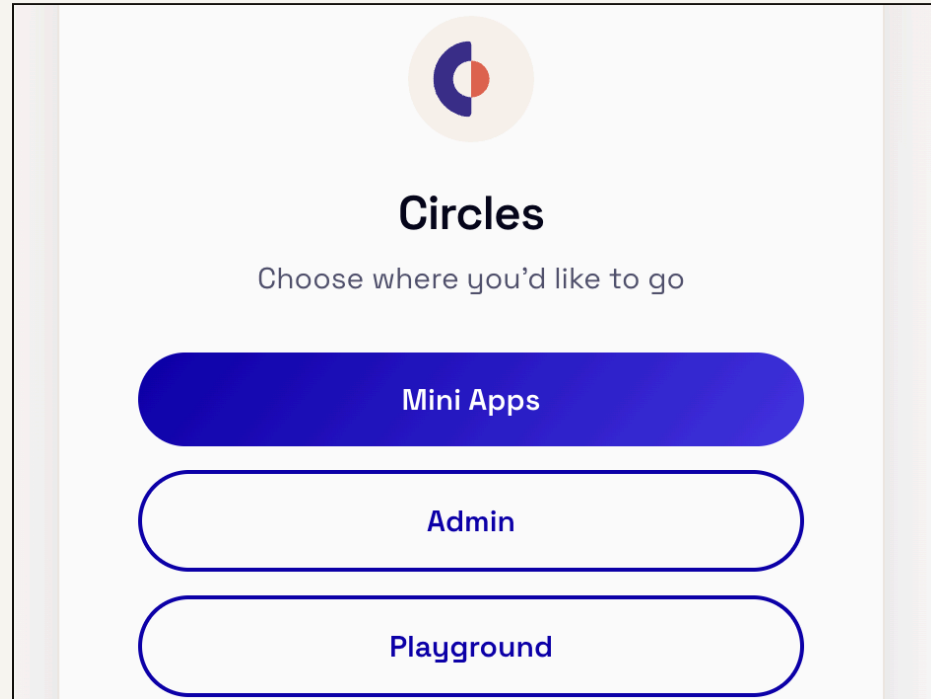

- user address handed to you
- no wallet flow to design
- @aboutcircles/miniapp-sdk + boilerplate

STANDALONE your URL · a normal web app

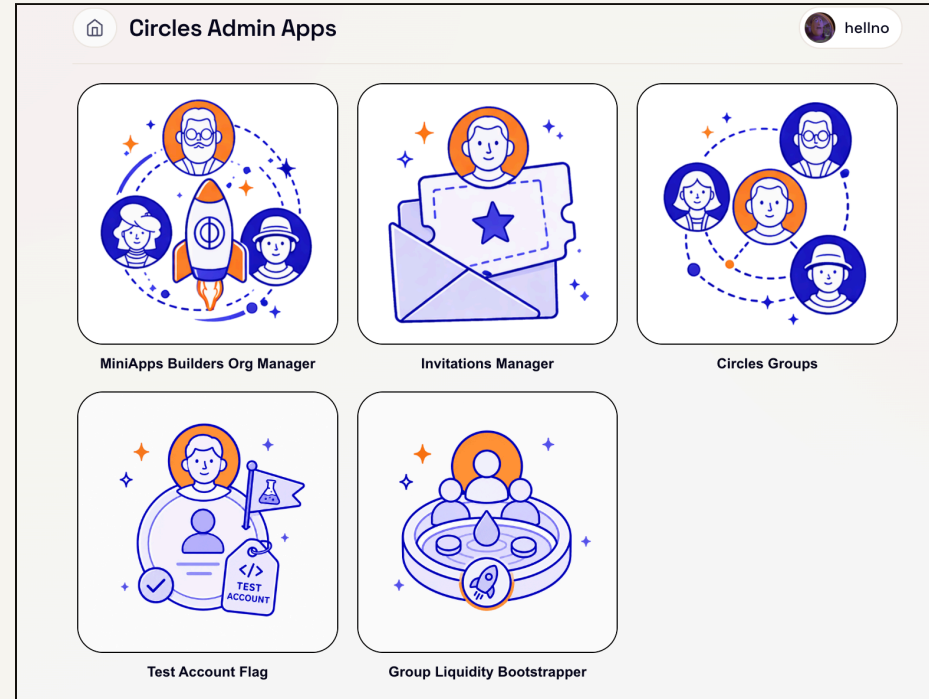

- your own deployment
- sign payments via Gnosis-app QR
- must still use circles primitives
